

BISHOP'S MANDATE

All who are called to leadership roles in Catholic schools, must remember that, as leaders in the Church, theirs are roles of Christian service. For staff, parents and students, they are to reflect the Christ who came to serve rather than to be served.

All school leaders are called to embody the vision, values and outlook of the Catholic school. Leadership through witness is critical for the effectiveness of the school community. They should support one another with faith and courage.

Bishops' Mandate #95

CEWA STRATEGIC DIRECTIONS 2019-2021

System of Schools

Through the CEWA Vision for Learning ...

Catholic Identity

The responsibility to provide an education that integrates faith, life and culture, with the formation of Christian conscience and virtue at the forefront, is the priority for all Catholic school communities.

Education

As a learning organization, the role of the system is to support schools to develop children and young adults, parents and caregivers, teachers, educators and leaders to become active learners who understand the values, knowledge and skills important for learning in the 21st century and beyond.

Community

At CEWA we will continue to nurture strong relationships of learning and trust through the creation of effective networks, ensuring the entire system is connected and learning is shared.

Stewardship

In Catholic schools, being a Christian steward means that staff, children and young people receive God's gifts gratefully, cultivate them responsibly, share them lovingly in justice with others, and contribute to the

CAPA STRATEGIC DIRECTIONS 2019 - 2021

Vision

"One cohesive voice building agile, Christ-centred leaders who advocate for and champion excellence in our Catholic school communities."

Catholic Identity

To actively promote and encourage Christian Service by widely communicating the needs, requests and spiritual and religious learning opportunities available to our members via various Christian organisations

Promote, develop and support the formation of Christ-centred leaders so that they continue to strive to reflect Christ in their school communities with faith and courage.

Education

To provide every student with a quality Catholic School education through the improvement of self as demonstrated through ongoing professional development and reflective of CEWA's Vision for Learning.

To develop Future Leaders by acknowledging and nurturing talent, providing mentoring and networking opportunities and creating an association inclusive of emerging leaders throughout our system.

Community

Facilitate a high level of professional Networking, through the promotion of the association's and the system's professional learning events, through our regional networking models and for wider, education system collaborations.

Provide a cohesive, representative voice to express the opinion of members and campaign for issues that promote professionalism, equality, excellence and the Catholic ethos.

Stewardship

Promote and protect the association, striving for professional excellence by maintaining clear and sustainable protocols with strategic intent and by maintaining vigorous & transparent communication with members seeking their counsel and support.

2020 Key Goals

Investigate an initiative to encourage and promote Christian Witness policy and Christian Service opportunities for our members.
(ongoing from 2019)

Provide inspiring spiritual and professional development for our members so they, in turn, influence the staff of our schools to ensure that religious education programs are rich sources of spiritual and faith development and to assist parents in the faith development of their children.

Work with CEWA, CPPA & CAPA Members to create an Assistant Principal Appraisal framework aligned to AITSL Teacher and Leadership Profiles.
(ongoing from 2019)

Continue the review of our Deed of Agreement.

Increase opportunities to liaise with, and work alongside, the various associations within the Church and our Catholic Education system.
(ongoing from 2019)
