KEYNOTE SPEAKERS

Tony Christiansen:

Tony is one of the world's leading inspirational / motivational speakers. He is humorous, bold and straight talking, as he brings you a story you will never forget.

He tells of the adversity he has faced since the age of nine, when a horrific railway accident left him with real challenges.

Although it was a terrible thing that happened, Tony has never allowed it to slow him down in any way, in fact he has achieved more in his life so far, than most of us are willing to even try.

Fred Chaney:

Frederick Michael Chaney is a former Western Australian politician who, until April 2007, held the position of deputy chairman of the Australian Native Title Tribunal^[1] and is co-chairman of Reconciliation Australia.

Chaney was born in Perth, Western Australia and educated at the University of Western Australia. He practised law and was admitted as a barrister and solicitor in Western Australia in 1963, and in Papua New Guinea in 1964.

**Dr Richard Charlesworth:
Motivational Speaker**

He excels. He always has. Whether leading the world in hockey, captaining Western Australia in cricket, cramming in a medical degree or winning a seat in federal parliament, Ric has been excellent as a rule and frequently brilliant. His natural gifts and a fierce appetite for victory have guaranteed his success.

With an entertaining and informative approach Ric draws from a wealth of sporting, political and medical experience to provide insight, advice and anecdotes to all facets of human endeavour.
